Principal- Mrs L Hamilton

Wednesday 6th January

Dear Parents

We have found out that as a school we have the facility to temporarily increase your data allowances on your mobiles so that your children can use this to access the internet if your child is using your mobile phone to access home learning.

The school can apply for children who:

- Are not attending school because they are vulnerable or have critical worker parents
- Have not loaned a device from school
- Have access to a mobile phone on one of the following networks
 - ✓ Three
 - ✓ Smarty
 - ✓ Virgin Mobile
 - ✓ EE
 - ✓ Tesco Mobile
 - ✓ Sky Mobile

In order to make this request on your behalf you would need to email the school with the following information so we can make the request;

- the account holder's name
- their mobile number (a number beginning with '07')
- their mobile network
- whether they pay monthly or pay as they go

If you would like us to do this for you, please email your details to the school office who will make the application. Reading the guidance, they do not give any guarantees on how long it will take the provider to apply the additional data.

Yours sincerely

Mrs L Hamilton
Principal
