

St Joseph's Catholic Academy

Behaviour Policy for remote learning

Respect God
Respect others
Respect property
Respect yourself

While you are taking part in remote learning either at home or school, these school rules still apply. The following rules are also important for remote learning:

- ✓ Arrive in good time for each lesson
- ✓ Sit up and pay attention
- ✓ Have your camera on if possible
- ✓ Keep yourself on mute unless you are asking or answering a question
- ✓ Use the chat only during the lesson to ask questions about the lesson
- ✓ Do your very best
- ✓ Hand in work to your teacher by the end of each day

We will praise and reward effort and attitude with real or virtual stickers, teacher awards and awards in assembly. A teacher or Mrs Hamilton will telephone or email families if teachers are especially pleased with a child.

Our usual sanctions would apply to any poor behaviour during online lessons or during the school day for those children in school.
