

Learning and Growing Together in Faith and Friendship

We will work hard to build positive relationships with our families, friends, teachers, members of our parish and those who live in our community

We will celebrate the skills and achievements of everyone in our school community. We will try to do the best we can, using the skills and talents that Jesus gave us.

We will learn how to be better followers of Jesus through receiving the Sacraments, learning about his life, listening to his words and talking to him in prayer by ourselves and with others.

We will respect and celebrate the differences in each other as a sign that we are all special and unique, created by God.
