Dear Parents/Carers and Reception Class,

Below is a copy of our timetable for the rest of this week. It is an expectation that you stick to the timetable and complete the activities/tasks set below. We are aiming to follow our normal timetable as much as possible. You are welcome to complete any additional work/activities but you are required to complete the below (as a minimum) to enable your child to receive their attendance mark on the register. Children are required to send in evidence via photos of their completed work at the end of each day through either the '**Evidence Me**' App or by emailing our school email stjoseph@sjnewman.co.uk . This will be checked each day and if we have not received any evidence of your child's learning they will be marked as 'absent' on the class register.

All parents have been added onto the Evidence Me online learning portal, however there are still a number of parents who have not yet activated their accounts. If you have not yet activated your account I have re-sent the link again for you today. Opposite is an example of the email link you should receive. Please note if you do not receive your set up email check your spam/junk folder and if it doesn't appear in there then please contact the school office so we can check that we have the correct email address for you. I have also attached a copy of a quick guide to support you with using Evidence Me (this was sent out to you via hard copy last year).

As a parent/guardian of..., you have been invited by St. Joseph's to join Evidence Me. You will receive updates regarding what your child has been learning about via the Evidence Me app and website. You will also be able to upload photos and videos of any home learning experiences.

Please continue to bare with us, I'm sure you can appreciate that we have not had much time to prepare for this closure. I will be ringing you all next week to see how you are getting on with your learning and I will write to you again at the end of this week with your activities for next week.

Any questions, please email the school email address stjoseph@sjnewman.co.uk and I will aim to reply as soon as possible.

Regards,

Miss Mogford ☺
