

Letter from Nursery week beginning 26.5.20.

Hello children, we hope that you are all well and that you are enjoying this lovely weather. It won't be very long before we can see each other again, and we are really looking forward to hearing about all the things you have been doing at home. You could bring in some things you have done to show us or bring in photographs.

We have got lots of lovely activities planned for us to do this half term. We will be meeting this little chap at the top of the page -The Colour Monster- and will be doing lots of creative activities to do with him (with our own paint brushes and scissors). We will also have our own ball of playdough, pencil, whiteboard pen and whiteboard, pencil, and colouring crayons.

We will still be exploring journeys, and will be making our own 'journeys' outside based on the story 'The Bear Hunt' in our own group 'bubble'.

We will be learning about maps, so perhaps you could ask an adult to help you to draw your journey to school, drawing pictures of the things you pass on the way here.

We will also be learning about holidays (something we can't experience at the moment!) but we can still learn about them from the internet and our past experiences. Perhaps you can ask an adult to find some holiday photographs you could bring in ready for next half term.

We really look forward to welcoming you back to school (even with our restrictions!) and we can't wait to see you all soon!

Love from Mrs Gater and Mrs Scaife xx
