

## Change to Parish Boundaries

On 9<sup>th</sup> January 2020, the Archbishop of Birmingham amended the boundaries of the parish that St. Joseph's Catholic Academy serves. This boundary change will affect some families who may find that their home address will now be within a different parish to the one that they were in prior to 9<sup>th</sup> January 2020.

When the new boundaries were introduced, the admissions policies for the school for the academic years beginning 2020 and 2021 had already been set and could not be amended to introduce these new parish boundaries.

Therefore, for the purpose of admissions for the above academic years, St. Joseph's Catholic Academy will continue to use the "old" parish boundaries that were in place before 9<sup>th</sup> January 2020. These are:
