	What are we learning?	Things I could do at home to support my child's learning.
Literacy	<ul style="list-style-type: none"> * We will read books by our class author Julia Donaldson and work on our personal targets when completing activities for Room on the Broom. * We will look at stories with predictable and patterned language e.g. The Bear in the Cave, We're Going on a Bear Hunt/Lion Hunt * Non-Chronological Reports/ Information Texts e.g. * Read and write about Traditional Stories and Fairy Tales focusing particularly on Mary and the Twelve Months and The Four Singers. * Read and Write Information Texts/ Non Chronological Reports focusing on Chinese New Year, Multi-cultural Day, STEAM week, Elephants, Toys today and in the past. * We will read and write Instructions (sandwiches - link to 'The Mad Hatter's Tea Party') Pass the Jam Jim <p>*Pupils will: receive a daily phonics input at their level, learn to use the new school library to select books to take home and share with their family, take part in weekly Guided Reading sessions and receive weekly spellings to learn at home. They will be tested on these spellings on a Thursday.</p>	<ul style="list-style-type: none"> * Listen to your child read for 10-15 min every night. * Play Phonics games with your child e.g. Phonics Bug and www.phonicsplay.co.uk (Phase 3,4,5 games) * Help your child to learn their weekly spellings e.g. copy out onto paper, write in chalk on the path, on a table in shaving foam, in sand, use bath letters or crayons, make flashcards. * Make sure your child completes their weekly homework activities and returns their book on a Friday. * Our Class Author is Julia Donaldson and we will be reading a variety of books written by her during our Class Story sessions. It would be useful if you could read some of these books if you have them at home or visit the local library. We will also be looking at the Illustrator Axel Scheffler.
Maths	<p>Our Learning will focus on number. We will be :</p> <ul style="list-style-type: none"> * Adding /Subtracting 2digit and 1digit numbers within 20 by using apparatus or counting on/back. * Number Bonds to 10 / 20. * Recognising, writing and ordering numbers to 20/50/100 —Place Value * Learning to count on and back in 1's, 2's, 5's ,10's * Learning about length, height, capacity and weight * Reasoning and Problem Solving 	<ul style="list-style-type: none"> * Help your child to practise counting in:- 1's to 100 forwards and backwards 10's to 100 forwards and backwards 5's to 100 forwards and backwards 2's to 50 forwards and backwards * Help your child to learn their doubles up to $10+10=20$. * Help your child to learn their number bonds to 10 e.g. $6+4=10$ and then 20 e.g. $16+4=20$ * Look at 2D and 3D shapes with your child and name them. * Practise telling the time to O' Clock and Half-Past. * Look at measuring size (bigger/longer/taller/shorter) and weight (full, empty, half full) * Practise simple additions and subtractions to 20 e.g. $5+6=11$, $14+3=17$, $10-4=6$, $15-5=10$. <p>Your child can complete these by using objects, fingers, number lines to help. Or if they are more able they can start putting the number in their head and counting on / back using their fingers.</p>
RE	<ul style="list-style-type: none"> * Christmas * Jesus: Teacher and Healer * Forgiveness * Lent * Holy Week * Easter 	<ul style="list-style-type: none"> * Give your child opportunities to pray quietly e.g. before bedtime. * Help your child to practise making the sign of the cross and to recite the Hail Mary and Our Father. * Use bedtime stories as an opportunity to look at simple Bible stories e.g. Creation, Noah and the Ark, Daniel and the Lions, The Lost Sheep, Joseph's Coat, The Good Samaritan, The Lost Son, The Birth of Jesus etc. * Look at Celebrations around the world e.g. birthdays, Christmas, New Year, Easter, Eid, Diwali, Hanukkah
