

Monday 11<sup>th</sup> May 2020,

Hello Y4,

It was lovely to chat to you all on the telephone last week. It sounds like you are all keeping really busy and are all happy and healthy. I hope you all had a lot of fun celebrating VE on Friday. I would love to see some pictures of your celebrations.

This week our home learning hub has lots to offer as usual.

English – There is an Egyptian tomb waiting to be discovered. Have a look at the video and the English activity ideas to go with it.

Maths – This week the White Rose Hub is looking at multiplication and division with 3 digit numbers.

Science – please carry on investigating by choosing another exciting investigation to try from the Science Sparks web page.

Art – Can you create a piece of artwork linked to the Egyptian tomb video – What will you create?

RE – There are more prayers from the Ten Ten resources for you to read and pray with your family. You could print some and place them in your home prayer area. Can you write a different prayer this week to help those affected by COVID-19, or alternatively you could write a prayer to remember soldiers and their families as we celebrate VE day.

Have, fun, stay safe and keep up the good work.

Mrs Roberts
