

Monday 25th May

Happy Half Term Y4!

It's time for a little break from your home learning this week. I won't be posting any new learning on the home learning site, but there will be more ready for the 1st June.

The classroom is ready for our eventual return, but I do need your help to make it even more welcoming for us all. I have a blank display board that needs filling with your lovely work and photos. **What makes you smile?** Can you send in some photos, pictures or posters of things that make you smile, so that I can put them on display to cheer us all up when we do eventually return to school? It could be a picture of you doing your favourite thing, or it could be a picture of your favourite animal, relative, pet... or all of these in a collage? Myself and Mrs Moran will do something for the wall too! How creative can you be? Email your work to the school email address and I will print them for our display.

If you are beginning to venture out of the house, as per the new guidelines from the government, please make sure you are still social distancing from others and keeping up with that hand washing routine! Stay safe and have fun!

I will be in touch again next week.

Mrs Roberts
