Monday 13th July, 2020

Dear Year 5,

It is the final week! It has been a strange end to our academic year and we would love nothing more than to have been in school celebrating the last few days with you and enjoying the usual end of school year celebrations and events. I am sure I can speak on behalf of all of the Year 5 staff in saying that you are an INCREDIBLE class. We have loved not only teaching you this year, but seeing you mature into such wonderful young people. You never fail to impress me with your work ethic, your kindness and your lovely personalities. I am going to miss you more than you can imagine. Although our year was cut short by a global pandemic, I can say that my final year at St. Joseph's was with a class I will always have fond memories of so thank you Year 5.

This week we have our final Teams meeting on Thursday 16th July, at 10:30am. I am hoping it will be a celebration meeting and so I am encouraging you to dress in party clothes if you wish! Bring along a treat and maybe your favourite drink – we can't have a party in school so we will try our best to have one on Teams! We will be having a fun quiz. You are welcome to prepare some quiz questions of your own if you like.

Also, there is still home learning this week on our class webpage. If you haven't done already, think about whether you want to apply for any of the Year 6 jobs. The information about that is still on the class webpage.

I will hopefully see many of you on our Teams meeting but just wanted to take the chance to wish you all a safe, happy summer holiday. All The best for Year 6; I know you will do me and yourselves proud. As you walk into our Year 5 classroom, our class display says 'Reach for the Stars'. I love this and I would love you to keep that in mind. You have so many gifts and talents and I would always encourage you to aim high. You really are capable of great things.

Thank you Year 5 and goodbye,

Mrs Marson
