Dear Year 5,

It has been so lovely to speak to you on the phone this week. I am missing you all so much and to be able to speak to you and find out what you have been up to has been really uplifting. Your parents told me lots of positive things such as how you are working hard at home, helping around the house and following the government's advice to keep yourselves safe. I am so proud of you all! I will be calling you every 2 weeks while school is closed. Like I said on the phone, I will continue to update our class webpage with new work and also news from the Year 5 team. I know some of you have already visited the website but if you haven't, remember to do so!

When I spoke to you on the phone I asked you all two questions. I got a huge variety of answers and so I will update the class website with the results of this mini survey. You may want to make a graph with the results!

This week I have also had a few emails sent to me with lovely photos of you at home. Remember, the address to email is stjoseph@sjnewman.co.uk

It was my birthday on St. George's Day and although I was unable to see my family and friends I still had a lovely day at home. I am finding that video calls are really important at the moment to keep in touch with people who live far away.

Until next week, take care!

Mrs Marson
