Acting Executive Principal- Mrs D Farmer

Acting Head of School – Mrs R Wilson

Monday 29th June, 2020

Dear Year 5,

I hope you all enjoyed 'Change 4 Life' week! I tried my best to do more exercise last week and it was great that the weather made this a little bit easier.

It was also great to see sixteen of you online for our first Teams meeting. I know it was a little strange, especially with us not all being able to see each other at once, but it was still lovely to see you (even virtually!). I spotted some new hair styles, some lovely outfits and many of you looked so much more grown up! We will be having another online meeting this week on Thursday 2nd July, 10:30am. This week it will be a class liturgy so I would like you to think about someone, or something, that you would like to pray for. I also set you with a creative challenge of creating a candle-shaped piece of art work. See the RE page on our class webpage <https://sites.google.com/view/year5homelearningstjoca> for more information and some ideas.

The home learning site has had lots of updates with new work for the week. It is really important to keep up with your school work, however tempting it is to enjoy the weather instead! You have three weeks left now of Year 5 and then it will be the summer holidays. I would love you to start to think of how we could celebrate the end of Year 5. By now, you will know that we can't be in school and so we need to try and think of a way we could celebrate over our Teams meeting. I will have a think too!

So, remember to try and join in on Thursday with the Teams meeting. It would be lovely to see even more of you online.

Have a great week, and stay safe!

Mrs Marson
