Dear Year 5,

We hope you are all keeping well and safe at home. As teachers, the best part of our job is to spend each day with you so to say we are missing you is a huge understatement. You impress us in school every day with your new discoveries, your hard work and your lovely personalities and we hope that your parents are seeing this at home.

Before school closed, you were given a pack of work to do. There is plenty in there to keep you going and so for the moment, keep working through this. The school website has been updated to include a 'home learning' section and we are busy working on this to add more work for you in the future. Remember also to keep up with your usual daily activities of reading and practising your times tables.

We hope you have managed to get some exercise in. The weather has been lovely! Have any of you been doing the daily Joe Wicks workouts on YouTube? If not, maybe give those a try! Do you remember the PSHE page in the home learning pack? We would love it if you had done some of those activities already!

Keep working hard! We will be in touch every Monday.

Stay safe!

Mrs Marson, Mrs Root, Mrs Kelly and Mrs Brown
