Dear Year 5,

Well, only two weeks left of our Year 5 year. It feels so sad for me to write that as I would have loved nothing more than to have finished the year in the normal way. However, I know you all understand why this couldn't happen.

I am sure many of you are starting to think ahead to Year 6. On the class webpage <https://sites.google.com/view/year5homelearningstjoca> this week I will be putting some information about the different positions of responsibility on offer in Year 6 (we sometimes call this the Year 6 jobs!). We want you to start thinking about whether you would like to apply for any of the jobs and your Literacy home learning this week will be to write a letter of application.

Also, St. Margaret Ward have been in touch and have sent over some video lessons especially for Year 5. These are now on the class webpage and they look great. There are English, Maths, RE, Science and even French and Food Technology. Try them out over the week to get a taster of a high school lesson. Please send any work to our school email address.

Once again, it was lovely to see many of you (and even some of your pets!) on our Teams meeting this week. I am so pleased technology worked a bit better this week and I really enjoyed playing House Hunt with you all. It was also lovely to share a class liturgy with you all. I was reminded just what a thoughtful, caring bunch you really are. Next week, you have two Teams meetings planned:

- **Tuesday 7th July, 11am**

This is a Teams meeting with Mrs Cox, your Year 6 teacher. Prepare for this by thinking about the Year 6 jobs and thinking of any questions you want to ask about Year 6. I am sure you will enjoy joining this meeting.

- **Thursday 9th July, 10:30am**

This is our usual Year 5 Teams meeting with myself and Mrs Root. If you can, come up with two questions each so that we can have a general knowledge quiz!

So, remember to try and join in with the Teams meeting, especially on Tuesday to meet Mrs Cox.

Have a great week, and stay safe!

Mrs Marson
