Dear Year 5,

What has happened to the weather? What a difference from the lovely, sunny half term week!

Myself and Mrs Root have enjoyed speaking to you this week. We struggled to get through to a few of you so hopefully you will have heard the voicemail messages we left. It is so lovely to hear that you are keeping yourselves busy and are working hard at home. Lots of you told us about the ways in which you are relaxing and having fun too. This is just as important as working hard.

Once again, the Year 5 home learning website has been updated with new work for you to complete. Try your best to complete what you can, as well as reading each day.

It is great to see how things seem to be returning to life as we knew it. The shops are beginning to open, a few of told me you had already been to McDonald's for a treat, and some children have returned to school if they are in the year groups the government have allowed. However, please remember to keep safe as it is so important to remember to keep up with washing your hands and social distancing to protect yourselves from the virus.

Have a great week, and stay safe!

Mrs Marson
