WB Monday 20th April 2020

Hello Year 1,

Welcome back for Week 1 of the Summer Term! I hope you are all well and have enjoyed the message our staff sent to you via Facebook. If you haven't seen it yet then [click here](#).

Remember, you can now access our Year 1 Home Learning Page by simply clicking on the following link or type it into your web browser. <https://sites.google.com/view/year-1-home-learning-stjoca/home>. Don't forget if you have any questions or would like to share your home learning with us please email us at the school address: stjoseph@sjnewman.co.uk.

Phonics

- I have set work for 'i-e' and 'u-e' alternate graphemes this week. Please watch the linked videos and complete the work set along with visiting the linked <http://www.phonicsplay.co.uk> website activities and your flashcards. <https://sites.google.com/view/year-1-home-learning-stjoca/phonics-spelling/phonics-wb-20-4-20>

- I would like you to read the story of 'Man on the Moon' this week and complete the activities listed on the website please. We are looking particularly at using adjectives to describe nouns in our sentences. <https://sites.google.com/view/year-1-home-learning-stjoca/writing/writing-20-4-20>

Reading

- You should also still be busy reading every day. Go to <https://www.oxfordowl.co.uk/for-home/> or <https://connect.collins.co.uk/school/Portal.aspx> which both have lots of free reading scheme books at your level. <https://sites.google.com/view/year-1-home-learning-stjoca/reading>

- I want you to learn about doubling and halving numbers up to 10 this week e.g. $10+10=20$ (double) & $\frac{1}{2}$ of $20 = 10$ (half). Look on our Home Learning Maths 20.4.20. page <https://sites.google.com/view/year-1-home-learning-stjoca/maths/maths-wb-20-4-20> for details of the activities to complete including going onto <https://whiterosemaths.com/homelearning/year-1/>. Also remember to keep on practicing counting to 100 in 1's, 2's, 5's & 10's forwards & back.

- Please continue to look at the Easter Unit work on our Home Learning Page

<https://sites.google.com/view/year-1-home-learning-stjoca/y1-re> . I have added some new work for Summer Term Week 1 on there looking at 'The Resurrection.' Read / watch the story and complete the activities.

- Mrs Clarkson has set up some learning activities for you around your new Science unit on 'Plants'. Please have a look on the Science Home Learning page <https://sites.google.com/view/year-1-home-learning-stjoca/science> for details.

- Have a look in the D&T section (under 'More' then 'Creative Curriculum' on the Home Learning page) for details on how to make an Easter Garden this week. <https://sites.google.com/view/year-1-home-learning-stjoca/creative-curriculum/dt>

- Have you completed the 'Internet Safety' activities that Mrs Clarkson set up yet? If not then have a go at these this week please. Mrs Clarkson will also be adding the first lesson on the new 'Coding' unit also. <https://sites.google.com/view/year-1-home-learning-stjoca/creative-curriculum/computing>

- Try to get out and about for some fresh air and exercise at least once a day. If you can't get out, why not try out some of the suggested websites to keep you fit and active? My family are still enjoying 'PE with Joe Wicks' each morning, Monday-Friday 9am on YouTube. Why not join in with us this week and e-mail school your pictures? <https://www.youtube.com/user/thebodycoach1>

I am regularly updating our Twitter, Facebook and School Websites with physical Activity ideas so remember to check in regularly.

How about trying these challenges from the Youth Sport Trust this week:-

60 Second Challenge
Air Balloon

The Physical Challenge
Can you keep the balloon up in the air for 60 seconds?
If the balloon touches the floor you lose a life. The more lives you lose the lower your score.
#StayHomeStayActive

Equipment
A balloon
If you do not have a balloon, use crumpled up tissue paper or a bag!

Achieve Gold
Lose 0 lives

Achieve Silver
Lose 1 life

Achieve Bronze
Lose 2 lives

60 Second Challenge
Obstacle Course

The Physical Challenge
How many obstacles can you run around or jump over in 60 seconds?
Be creative! Place out objects, pillows, teddies around the space. Each time you jump over an object you score a point.
#StayHomeStayActive

Equipment
Lots of objects and a enough space on the floor!
Use as many objects as you can. This game is best played outside in the garden.

Achieve Gold
40 points

Achieve Silver
30 points

Achieve Bronze
15 points

60 Second Challenge
Around the World

The Physical Challenge
How many times can you pass the ball around your waist in 60 seconds?
If you drop the ball you need to pick it up quickly and carry on.
#StayHomeStayActive

Equipment
A ball
If you do not have have a ball use a pillow or a rubbery toy.

Achieve Gold
50 Times around your waist

Achieve Silver
40 Times around your waist

Achieve Bronze
30 Times around your waist

Have a great week everyone. I miss you all - keep safe until we can be together again!

From, Mrs Grange ☺
