Hello Year 1,

Happy Easter!!!! I hope you have all had a wonderful Easter Sunday and that the Easter Bunny found your house?

Remember, you can now access the Year 1 Home Learning Page by simply clicking on the following link or type it into your web browser. <https://sites.google.com/view/year-1-home-learning-stjoca/home>. Don't forget if you have any questions or would like to share your home learning with us please email us at the school address: stjoseph@sjnewman.co.uk.

If you haven't already, then please could you have a good look at the RE work this week. I have included direct links for all of the subjects below:-

- There are LOTS of activities and links on the Y1 RE page to help you this Eastertide. Please try a few of them <https://sites.google.com/view/year-1-home-learning-stjoca/y1-re>.

- You should be doing a little bit of reading every day. Go to <https://www.oxfordowl.co.uk/for-home/> which has lots of free reading scheme books at your level. Also, remember to use <http://www.phonicsplay.co.uk> and your flashcards.

Another free website that I have found this week is: <https://connect.collins.co.uk/school/Portal.aspx>

there are LOTS of reading books all the way from PINK -> LIME level so all of your children can be accommodated. Remember, it is fine to read the levels below and have a go at the level above the one that your child is currently working on. It is also good to read the same book more than once, especially if your child is not reading fluently yet. Here are the log on details via the TEACHER portal:-

How to access free Collins Big Cat ebooks

Access 330+ free KS1 ebooks from our primary reading programme

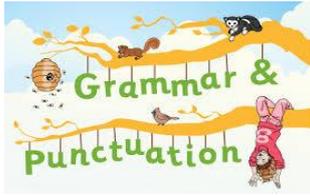

Go to [Collins Connect](https://connect.collins.co.uk) and click on the Teacher portal and enter:

Password: **Parents20!**

and click Login.

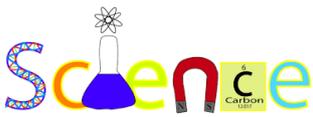

- Well done to all of you who have logged onto CLASSROOM SECRET KIDS <https://kids.classroomsecrets.co.uk/>. Please could you log on and have a go at the GPS (Grammar, Punctuation and Spelling) activities on the first page - Question Marks and Capital Letters. You need to click on the drop down tab at the top and click on GPS.

- Have you been onto <https://whiterosemaths.com/homelearning/year-1/> yet? If not then log on and have a look at the work for Week 1&2. You can also look at the weight and capacity games on <https://kids.classroomsecrets.co.uk/>. Keep on practicing counting to 100 in 1's,2's,5's & 10's forwards & back.

- Have you been on a seasons walk yet? How are the plants around you changing now we are in Spring? What different creatures can you see? How is the weather changing? - Remember to keep safe! Can you draw a picture of what you have seen and label it/write sentences?

- Try to get out and about for some fresh air and exercise at least once a day. Why not have an Easter Egg Hunt in your garden or around the house? If you can't get out, why not try out some of the suggested websites to keep you fit and active? My family are still enjoying 'PE with Joe Wicks' each morning, Monday-Friday 9am on YouTube. Why not join in with us this week and e-mail school your pictures?
