

Week Commencing - 6th July 2020

Hello Year 2!

We hope you are all well it has been lovely to see some of your faces on the class meetings this week, even if there were a few technical hitches!

Before we look at your new challenges for the week, a reminder to try to do these things every day!

Learning challenges to check out on the website this week:

English - This week's English work is based around the nonsense poem 'The Quangle Wangle's Hat' - visit the home learning page for all of this weeks activities.

Maths - In Maths this week we look at temperature. What is temperature and how do we measure it?

Science - Test your memory!! Complete the activity mat about 'Living things and Their Habitats' to see what you have learnt.

RE - In RE last time we thought about times when Jesus gathered with people and why Mass is important. This week we begin to think about the different parts of the mass starting with the gathering.

Creative Curriculum - We continue to think about Local history by looking at early invaders of the Potteries who began to make things from clay and named the towns of the Potteries!

The link to our **Home Learning Site** is below.

The email address to send any work you would like to share is :
stjoseph@sjnewman.co.uk

Keep up the good work, take care of yourselves and your families.

We miss you all!

Mrs Clarkson, Mrs Walklett, Mrs Hiller, Mrs Birchall and

Mrs Gibson xxxxxx
