

Week Commencing - 15th June 2020

Hello Year 2!

We hope you are all well and getting on well at home with your home learning. Before we look at your challenges for the week, a reminder to try to do these things every day!

write

Learning challenges to check out on the website this week:

Grammar - On the Punctuation and Grammar page you will find this week's learning challenge which is about co-ordinating conjunctions.

Maths - On the Maths page, we start to think about how we measure mass and comparing mass

Science - What have you been learning about ocean habitats and the animals that live there?

RE - A couple of weeks ago we celebrated Pentecost - when the Holy Spirit came to the disciples in the upper room. On 7th June it was Trinity Sunday where we remember the Holy Trinity. Find out about more about the Holy Spirit and how it is one part of the Holy Trinity on the RE page.

Creative Curriculum On the **Geography** page this week why not turn a weekly walk into a field trip around your local area to think about the things you can see and observe around you?

PE - Why not enter the weekly virtual challenge competition to get a certificate and help our school to win points?

The link to our **Home Learning Site** is below.
