

Week Commencing - 1st June 2020

Hello Year 2!

Welcome to the second half of the summer term! We hope you had a lovely half term holiday and enjoyed the beautiful sunny weather. This half term will be a little different, because although some classes are returning to school, Year 2 will be continuing to learn from home at the moment. Before we look at your challenges for the week, a reminder to try to do these things every day!

Learning challenges to check out on the website this week:

Grammar - On the Punctuation and Grammar page you will find this week's learning challenge which is about how we use apostrophes to show possession.

Maths - On the Maths page, we complete the statistics topic by looking at bar graphs.

Science - Have you been thinking about animals around you and the habitats in which they live?

RE - On Sunday 31st May we reached the end of Eastertide with the celebration of Pentecost. Find out about what happened at Pentecost and learn about the symbols of Pentecost on the RE page.

Creative Curriculum On the **Geography** page we think about looking at places from above. Find out what an aerial picture is and why they are so useful! There is also a link to a creative activity that you could try.

PE - Have a look at this week's weekly virtual challenge on the PE page. Why not enter the competition to get a certificate and help our school to win points?

The link to our **Home Learning Site** is below:

The email address to send any work you would like to share is :
stjoseph@sjnewman.co.uk

Keep up the good work, take care of yourselves and your families.

We miss you all!

Mrs Clarkson, Mrs Walklett, Mrs Hiller, Mrs Birchall and
Mrs Gibson xxxxxx
