

Week Commencing - 25th May 2020

Hello to all of the children in Year 2,

We have once again enjoyed our phone calls with you this week, chatting to you really does bring a smile to our faces! You all sound like you have been enjoying the sunny weather by playing in the garden, splashing in paddling pools, trampolining, playing football, having barbeques and now that we can go out a little more enjoying visits to local parks.

We know that you are also trying really hard to keep up with your learning at home and we know that this isn't always easy but you have been doing brilliantly and we are all very proud of what you are doing.

This week would be the half term holiday from school so we aren't setting any new work we want you all to relax and have fun with your families. Although if you do feel like doing a little bit of school work I am sure there are still lots of things on the home learning site you could have a go at.

The link to our **Home Learning Site** is below.
