

Week Commencing - 27th April 2020

Hello Year 2,

We hope you are all well, it was lovely to get to speak to so many of you on the phone this week and hear about what you have been doing to keep busy and have fun with your families. It was also great to hear about the things you have been learning about at home. Well Done!!

Learning challenges to check out on the website this week:

English - This week we have set you tasks linked to the story 'Meerkat Mail'. Visit the website to find these tasks.

Maths - Go to the website and find the Maths tab for this week. This week we would like you to complete the daily maths lessons on White Rose Maths about measuring Length and Height

Science - We eat lots of different types of plants. How many can you name? Can you sort them by the part that we eat? See the website for ideas.

RE - The weather has been beautiful over the last few weeks and there are so many amazing things to notice in the world around us. Can you write a prayer to say thank you for something that you are grateful for? There is also some work about Doubting Thomas on the website.

Art - Find out about the artist Andy Goldsworthy- he uses natural objects to create pieces of art. Can you create your own art using natural objects? See the 'Natural Art' link on the website to find out more.

The link to our **Home Learning Site** is below.

The email address to send any work you would like to share is :
stjoseph@sjnewman.co.uk

Keep up the good work, take care of yourselves and your families.
We miss you all!

Mrs Walklett, Mrs Clarkson, Mrs Hiller, Mrs Birchall and
Mrs Gibson xxxxxx
