

Week Commencing - 4th May 2020

Hello Year 2,

Hope you are all well and enjoying getting on with your learning from home! Don't forget to try to do these things every day!

**TUESDAY
ROCK
STARTS**

Learning challenges to check out on the website this week:

Grammar - Take a look at the Punctuation and Grammar page to find this week's learning challenges which are all about adverbs.

Maths - On the Maths page there is a new topic called statistics. Statistics are all about handing information, and the unit begins by having a look at tally charts.

Science - Have you been thinking about all the different plants there are around us and which plants we eat?

RE - Last week we thought about Thomas and how he might have felt about missing Jesus when he visited the rest of the disciples. Visit the RE page to hear the rest of his story and think about how he might have felt when he finally met Jesus for himself.

Creative Curriculum On Friday 8th May we will celebrate the 75th anniversary of VE Day, the day when World War II came to an end in Europe in 1945. Head to the Creative Curriculum page to find out more and some activities based on this very special celebration.

bration.

PE There are a couple of new things to have a look at on the PE page this week, including a link to Mr Sigley's page – The Power of PE!
