

Week Commencing - 18th May 2020

Hello Year 2,

Hope you are all well and enjoying the lovely sunny weather as well as getting on with your learning from home! Don't forget to try to do these things every day!

Learning challenges to check out on the website this week:

Grammar - On the Punctuation and Grammar page you will find this week's learning challenge which is to **cleverly** use adverbs to create a poem!

Maths - On the Maths page, we continue to look at statistics. Last time we looked at tally charts, this week is all about pictograms. Maybe you could have a go at creating your own pictogram?

Science - Have you been thinking about animals around you and the habitats in which they live?

RE - As we continue through the season of Eastertide, in RE this week we think about a very surprising story where Jesus visited his disciples!

Creative Curriculum There's some new stuff on the **Geography** page this week about routes. Find out what a route is and why we use them!

PE - Have a look at this week's weekly virtual challenge on the PE page. Why not enter the competition to get a certificate and help our school to win points?

The link to our **Home Learning Site** is below.
