

Dear Year 3,

I hope you are all still doing well. I'm very much looking forward to talking to you all on the phone this week. I hope you've all be enjoying your learning activities and getting outside as much as you can too.

There are some new learning activities posted on our class site for this week. Click the link below to head to our class site.

<https://sites.google.com/view/year3homelearningstioca>

and I hope you are all still reading lots and lots. Reading is the most important thing you can do while you are learning at home. If you are running out of books at home, remember you can get free audiobooks and e-books online. (Look on the reading tab of our class page to find the links.) The reading challenge is still on too, and I have changed my score! Check the class page – have you read more books than me?

We always love to hear from you and see photographs of what you've been up to so remember to send any photographs or updates to stjoseph@snewman.co.uk

And keep an eye on our school twitter and Facebook page for updates, particularly the Stoke sports challenge! Could you be a winner?

Make sure you have fun and keep learning what you can at home! We're all very proud of you!

Stay safe, be happy!

Miss Stephenson x
