

Dear Year 3,

I hope you are all doing well, keeping active and safe. First of all, let me tell you how proud I am of you all. You are working very hard and coping so well. This is not an easy situation and you are doing brilliantly. I've been delighted to see some of your activities from the past week.

We always love to hear from you and see photographs of what you've been up to. Remember to send any photographs or updates to [stjoseph@sgnewman.co.uk](mailto:stjoseph@sgnewman.co.uk)

As always there are lots of new learning activities and ideas on our class google site this week.

<https://sites.google.com/view/year3homelearningstjoca>

Don't forget to check in with our news page and reading challenge too! (Remember that there are links to e-books and audiobooks on our class page.)

As always the activities on the google site are there as ideas and there's no need to do them all! Do as much or as little as you need to.

I have been so impressed with the creative things you've been doing as part of your learning. You've been baking, drawing, painting, making and creating and I think it's marvellous! I've even heard about many of you who are older siblings helping out and teaching your younger brothers and sisters! What a wonderful way to help your families and it will help with your learning too!

I always finish my letters by saying how I am missing you all and this week is no exception. Remember that although we are apart you are a part of the St. Joseph's family and we're always here to help.

Stay safe, be happy!

Miss Stephenson x
