

Dear Year 3,

I hope you are all still doing well. It was lovely talking to so many of you on the phone this week. I hope you've all be enjoying your learning activities and getting outside in between thunder storms!

There are some new learning activities posted on our class site for this week. Make sure you check the PE page for updates, as this week would have been Change 4 Life week in school! There are lots of learning activities related to health across the different pages. Click the link below to head to our class site.

Remember to keep up with some reading. It is the most important thing you can do while you are learning at home. (Look on the reading tab of our class page to find the links e-books and audiobooks.) The reading challenge is still on too- have you read more books than me?

We always love to hear from you and see photographs of what you've been up to so remember to send any photographs or updates to stjoseph@sjnewman.co.uk.

Make sure you have fun and keep learning what you can at home! We're all very proud of you!

Stay safe, be happy!

Miss Stephenson x
