

Dear Year 3,

I hope you are all doing well, keeping active and safe. It's been lovely to talk to so many of you again this week. Lots of you have been saying you miss school and we miss you too!

The good news is that this week is half term! And that means taking a well-earned break. I haven't posted our usual learning activities for this week, instead there's a list of ideas for you in case you get bored and are stuck for things to do. It's totally up to you if you want to use the ideas. (You can find them on the homepage!)

<https://sites.google.com/view/year3homelearningstjoca>

Don't forget to check in with our news page and reading challenge too! (Remember that there are links to e-books and audiobooks on our class page.)

We always love to hear from you and see photographs of what you've been up to so remember to send any photographs or updates to stjoseph@sgnewman.co.uk

It looks like we're going to have some fantastic weather over half term so make sure you make the most of the sunshine by getting outside and getting some exercise. Just remember to stay safe and stay hydrated in the hot weather!

Make sure you keep an eye on the school Facebook and twitter for the links to our school sports challenge.

As always, remember that although we are apart, you are a part of the St. Joseph's family and we're always here to help.

Stay safe, be happy!

Miss Stephenson x
