

Dear Year 3,

I hope you are all doing well, keeping active and safe. I have enjoyed speaking to you all on the phone this week and hearing about all the lovely things you have been up to at home. I'm very proud of all of you and how you have been keeping busy during our time away from school.

There have been some more updates on our class google site over the weekend so remember to click here

<https://sites.google.com/view/year3homelearningstjoca>

to see this week's learning activities. Remember that you don't need to do all of the activities on the site but it is all there to help you.

I have already heard about some of your activities and seen some photos of your work and they are excellent! If you would like to share your learning with us we would love to see it! You can e-mail photographs and updates to stjoseph@sgnewman.co.uk

Remember to check my reading challenge on our page. I know lots of you are already miles ahead of me! It's important that you keep up with your reading when we are away from school, just try to read a little each day.

(Remember that there are links to e-books and audiobooks on our class page.)

We have been very lucky with the lovely weather and I've been glad to hear you are all making the most of it. Make sure you get outside as much as you can. I am missing you all very much and you are all in my prayers.

Stay safe, be happy!

Miss Stephenson x
