

Dear Year 3,

I hope you are all well and keeping active and learning as much as you can.

It is now the Easter Holidays! I have collected together lots of ideas for Easter crafts and activities that you can do at home.

I have set up a google site for all of you to access. There are lots of learning activities on there for all of our subjects. This is where I have posted the Easter activities. Click the link below to access the site.

<https://sites.google.com/view/year3homelearningstjoca>

I'll keep updating the site over the coming weeks so check it regularly.

Remember our shoe lace challenge. Keep practicing if you haven't cracked it yet! (Remember our goal of the whole class being able to do this by year 4!)

Remember to keep active with Joe Wicks every morning at 9am!

Have fun with your families and stay safe!

Missing you all,
From Miss Stephenson x
