

Week Commencing: 13th April 2019

Hello Year 6,

We hope that you're continuing to enjoy your Easter holidays and that you're making the most of this sunshine by getting outside whenever you can to exercise and have fun with your families! Remember that Easter is a time to celebrate and that, although we might be missing each other and finding this time difficult, there are little positives to celebrate in every day. Focus on those and be a positive light for those around you like the amazing young people we know you are.

As you will know, last week was the most important week in the Catholic calendar – Holy Week. We hope that you spent some time last week thinking about Jesus' journey and the sacrifices that He made for us. Remember that the sacrifices we're making now by staying home and self-isolating will help keep our world as safe and healthy as possible. We're so proud of you all and the efforts you're making to keep others safe! Keep saying your prayers remembering those who need God's love to get them through these challenging times.

Hopefully, you've had a chance over the last week to take a look at our brand new Home Learning page. <https://sites.google.com/view/year-6-home-learningstjoca> We've updated the page with an 'Easter' tab where there some links to even more fun Easter activities and some homework tasks for this last week of the Easter holidays.

As we've mentioned previously, words can hardly explain how much we miss each and every one of you. We would love to see what you have been up to. Please use the school email address should you wish to send us any pictures or updates: stjoseph@sjnewman.co.uk.

Stay safe, speak to you soon,

Mrs Cox ☺ and Miss McGough ☺
