Mix together over a medium heat. KEEP STIRRING UNTIL A DOUGH FORMS. Allow to cool before touching. This will keep for weeks if stored in an airtight behaviour. Exploring colour - Skittles experiment. You need 3 bags of Skittles sweets. Could arrange in a rainbow shape and watch the colours merge. Can you see any new colours? You can eat the skittles afterward and suck the colours up with a straw afterwards!

Virtual Trip - Edinburgh Zoo

Take a walk around the zoo and look at the animals. Can you draw any of them?

Have a good week and take care.
