

Nursery Home Learning Activities 30.3.20.

Hello children! I hope that you are all keeping well and enjoying the lovely sunshine from the safety of your gardens!

I have put a few ideas together to support the pack of activities sent home last week.

Phonics Activities

Look around your home and garden to find objects beginning with 's' 'a' 't'. Draw pictures of objects that you find. Ask an adult to write the word and help you to copy it.

Have you got 's' 'a' or a 't' in your name? How many of your family's names have got these letters in them? Can you copy them?

Do activities for these letters on 'Phonicsplay' and on Cbeebies i player website.

Counting Challenge

Ask an adult to get pasta, sweets, carrots, potatoes etc. How many of each one can I count? Ask an adult to write down the number. Make sure that you touch each object as you count. Do this every day and see if you can improve your score. Count objects on Cbeebies i player - Number Blocks.

RE

Ask an adult to read you the story of 'The Last Supper' from the Bible.

Understanding of the World

Ask an adult to wash an egg shell after the egg has been emptied out. When it has dried draw a face on it with felt pens (be gentle). Put the egg shell into an egg cup or cut down toilet roll. Put some damp cotton wool in the eggshell. Add a sprinkle of cress seeds. Watch what happens to the seeds! Don't forget to water them every day!

Have a good week and take care!

Mrs Gater
